

Welcome New Team Families

Welcome to the All American Gymnastics Academy Team! As a member of one of our competitive teams, the All Star Booster Club (ASBC) will work closely with you and your family to help make the experience the best possible. While AAGA and ASBC work closely together in support of all competitive programs within the gym, we each provide a different focus for our athletes and families.

AAGA coaches and trains your athletes and manages your gym membership. ASBC registers your athlete for meets, hires our coaching staff for competitions, manages competitive uniforms, provides spirit and fundraising opportunities, and manages your athlete's individual booster club accounts.

Please look through the information outlined below. Communication is key between our families and the Booster Club. Please don't hesitate to reach out directly if you have any questions now, or anytime throughout the season.

Booster Club Account, Fees and Payments

- Financial Forecasts will be shared at the Booster Club Open House in early-mid September. |
- An individual account in your child's name will be established - SEPARATE from AAGA
 - Statements are issued monthly year round and will reflect fees, payments and credits and will display balance due or available funds
 - May pay monthly, in chunks or all upfront. Any excess funds will remain in the gymnasts account for the next year
- Payments can be made by cash or check (payable to All Star Booster Club or ASBC) and dropped at the front desk to be placed in the Treasurer's mailbox or made via PayPal from the Booster Club website - ***NOTE PayPal assesses fees on all payments. If using this method good rule of thumb is to add \$10 to cover any fees
